

We are Here to Help

LOWER COSTS AND MAXIMIZE CT UPTIME

CT Tubes

The engineering team at Richardson Healthcare has decades of experience designing and bringing replacement CT tubes to the market.

P3 - Parts Program

Manage your risk and lower your cost of CT ownership with guaranteed parts and tube coverage.

CT Replacement Parts

QA3 Tested Canon/Toshiba* CT replacement parts for every Aquilion platform through the ONE.

CT Service Training

Year-round classes with hands-on access to the Canon Aquilion Series.

High Quality CT Tubes and Parts

With our passion for product quality, we have built a reputation for unmatched reliability. We stand behind every component we deliver – with our exclusive QA3 testing protocols, expert engineering team, thousands of ready-to-ship parts in stock, and state-of-the-art CT manufacturing facility, you can be confident that your part will reach you on time and in working order.

Why Richardson Healthcare?

Richardson Healthcare is committed to supporting alternative service providers and hospitals with OEM-quality parts and hands-on training. When you choose Richardson Healthcare, you are choosing the best value, peace of mind, hassle free service, and support.

- + Replacement CT tubes manufactured to help reduce cost of service vs. OEM contracts
- + Proprietary QA3™ parts testing program means the industry's top quality rates
